

Ready, Set, Dance Parents,

We have lots of exciting news for next year! We have new teachers joining our Ready, Set, Dance family and many fun ideas for throughout the next dance year (such as spirit week, where you will get to wear a costume to class!, "Bring a friend to dance class week", and more!)

If you turned in a class selection form they are now available for pick up! Don't forget registration begins on Monday June 6th and Tuesday June 7th for current students only! The schedule will be posted on line by Monday June 6th! Although we have tried our best to work around various sports, girl scouts, boy scouts, church, and after school functions....we may not always have the perfect fit for your child! We will do our best to accommodate placing your child into an age/level appropriate dance class! All current teachers have evaluated our dancers and have placed them into the appropriate levels! It is very important to us to keep class size small and age and level appropriate! Remember also that the schedule does tend to change somewhat by August! If we do not currently have a class that fits your needs, please stop by the dance desk and let them know what you are looking for, if we get enough interest for a specific class we will try to get it on the schedule!

We are sorry to announce that Miss Heather will not be returning as a full time teacher next year! As most of you know she has been commuting from Gainesville this entire year, and with the cost of gas is not going to be able to continue to do so.... But don't be surprised if she turns up as a substitute for our dance classes every now and then!

The rest of our awesome staff will all be returning with a few exciting additions! We are thrilled to welcome the following new Ready, Set, Dance teachers:

Miss Genevieve Tallarico

Miss Genevieve will be teaching ages 3 and up all forms of dance. Miss Genevieve will also bring her love of Modern Dance to our studio and will teach our very first "Modern Dance Classes!" Some of you have already had the pleasure of meeting Miss Genevieve as she has already been in our studio as a substitute!

Miss Wendy Duncan

Miss Wendy will be teaching ages 5 and up all forms of dance. She is a very strong tumbling teacher as most of you know already! Miss Wendy has also been in the studio subbing throughout this year. We are very happy to have her!

Mr. Carey Parsons

Mr. Carey has been a regular sub for two years now, and we have finally convinced him to teach for us on a regular basis! Mr. Carey has traveled all over the world teaching and performing hip hop! He will be teaching ages 7 and up, including one of the 3 "All Boys" Classes we will have this year!

Miss McKenzie

Miss McKenzie is joining our family to teach some of the Musical Theatre classes! In addition to an awesome Musical Theatre background, Miss McKenzie is also an incredible dancer, so don't be surprised if you see her subbing some dance classes this year as well!

Look for their complete resumes/bios on the web site within the next few weeks!
